#ChrisChristie's UNDOING - #DEEP6FRAUD

On June 30, 2015, #ChrisChristie rolled the dice, crossed his fingers, and nose-dived into his presidential campaign! Little did he know that the rumbling in his ears was not #BridgeGate, but #DEEP6FRAUDclosures! (By the way, June 30th is the birthday of #StuartRabner. Say "AH"!)

Addendum #2 to the #DEEP6FRAUD analyses is a sample of Legal Notices from the June 30, 2015 Newark Star Ledger. If #ChrisChristie needs a tour guide, let him ask #NewJerseyUNIQUE #FRAUDclosureMILL #ZuckerGoldberg. But he had better hurry, hurry because #ZuckerGoldberg's New Jersey Labor WARN Notice/obituary states that their RIP date is August 24, 2015!

And just in case #ChrisChristie wants to know why #NewJerseyUNIQUE is #1 in #FRAUDclosures, and Atlantic County is #1 in the nation, just ask #NewJerseyUNIQUE Chief Justice #StuartRabner for some straight answers. And while he's bending #StuartRabner's ear, he might just inquire:

- 1) What His Honor knows about the puppeteers to #ZuckerGoldberg, #YankeeTitle, #StewartTitle, and when he knew it;
- 2) How INCOMPLETE are the Exhibits #ZuckerGoldberg and #ReedSmith presented in response to the New Jersey Court #RoboSigningPart1 examination of 2010-2013.
- 3) A print-out of the 30,000+ cases remaining in #ZuckerGoldberg's portfolio. Please don protective gear because those files are very, very toxic.
- 4) A break-out of <u>ALL</u> foreclosure filings, by county, by Docket #, 2013-present.

When those assignments are finished, please follow – www.Twitter.com/HurtinHomeOwner

PREDICTION: The #NewJerseyUNIQUE #FRAUDclosureMILL law firms and their co-laborers will fall like dominoes following the demise of #ZuckerGoldberg!
